Project description:

TID # 89 project plan comprises two major components:

- 1) The adaptive reuse of the City owned former Garfield School located at 2215 North 4th Street including the creation of 30 housing units which will be marketed to the local artist community and be affordable to families earning less than 60% of Area Median Income.
- 2) The demolition of the Redevelopment Authority buildings at 2235 North 4th Street (the former Black Holocaust Museum) and 411 West North Avenue (former Grant's Restaurant) and construction of a mixed use project with 41 housing units (35 affordable units and 6 market rate units) and approximately 8,000 square feet of commercial space, including approximately 6,000 square feet planned for occupancy by the Black Holocaust Museum (the "Griot").

The District provided \$1,435,000 to assist in funding total project costs of \$16.6 million.

Construction began in early 2017, with the Garfield School component near year end and with the Griot to be completed in the spring of 2018.
